

Eastern North Dakota Synodical Women's

PLEASE SEND THIS BACK WITH YOUR CONVENTION REGISTRATION OR BRING IT WITH YOU OR MAIL IT TO THE ADDRESS LISTED

Welcome to the 2022-23 year of the Eastern North Dakota Synodical Women of the ELCA, (WELCA). To get our records up to date we are asking you to take a moment and fill this form out. If you are joining us in Medina for the Annual Convention, and we hope you are, you can bring it with you.

You can also take a moment and mail it to us right away. We know officers can change from year to year, and that does not always get forwarded to us and that makes it harder for us to get information the correct people. Once in awhile we find that congregations do not have active WELCA activities and that is fine, but as Women of the ELCA you are still members of the EaND Synod. With that in mind if your congregation is not active, let us know. We will continue to mail to your church so if something comes up that you may be interested in, at least your informed.
